Certification of Non-Use if applicable (use additional sheets): \_\_\_\_\_

Compliance or non compliance statement with compliance schedule (use additional sheets if necessary) for every  
parameter used: \_\_\_\_\_

Explain Method for preserving samples: Monthly and daily metals are preserved with HNO3.SGT-HEM samples are preserved using HCl. BOD samples are collected in a refrigerated sampler.All samples are iced in a cooler during transport to the lab.

I certify under penalty of law that this document and attachments were prepared under my direction or supervision in  
accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted.  
Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering  
the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete.  
I am aware that there are significant penalties for submitting false information, including the possibility of  
fine and imprisonment for knowing violations.
